ABOUT US

A journey of innovation and excellence.

Founded in 2013 in Roseto degli Abruzzi, Italy, LCB Srl (Laboratori Chimici Braccili) began its journey as a laboratory specialized in the production of cosmetics and medical devices for private label. Over the years, LCB has significantly expanded its

capabilities, strengthening its team with industry experts and investing heavily in research and development. This strategic focus has enabled LCB to offer clients advanced, market-ready formulations and cutting-edge active ingredients for the creation of fully customized solutions.

In 2019, a key milestone was achieved with the acquisition of a new facility, which supported the expansion of our machinery and production capabilities. This growth was followed in 2021 by the launch of a new department dedicated to the production of food supplements, further diversifying our product range.

Throughout our journey, LCB has proudly collaborated with numerous brands, both nationally and internationally. Our commitment to innovation, quality, and customer satisfaction continues to drive us forward, as we strive to remain at the forefront of the cosmetics and medical devices industry.

XINEFLUS

20 stick packs of 15 ml liquid

CONTROLS REFLUX AND PROTECTS THE ESOPHAGEAL WALL
THANKS TO A PROTECTIVE FILM.

GLUTEN FREE

LACTOSE FREE

- **SODIUM ALGinate 250 mg**

Forms a protective film that adheres to the gastric walls, preventing the backflow of gastric juices.

- **HYALURONIC ACID 20 mg**

Its molecular structure retains water, limiting the rise of gastric acids.

- **ALTEA E.S 100 mg**
MALLOW E.S 100 mg

Plant extracts with soothing properties due to the mucilage they contain.

DOSAGE:

Take 1 or 2 sticks per day, after main meals, without water.

ZERACID

40 chewable tablets of 1.2 g

NEUTRALIZES ACIDITY AND PROVIDES THE RIGHT DAILY DEFENSE FOR A BALANCED GASTRIC ENVIRONMENT.

- **CALCIUM CARBONATE 500 mg**
MAGNESIUM HYDROXIDE 75 mg
SODIUM BICARBONATE 20 mg

Inorganic compounds with strong buffering capacity against gastric acidity. In an acidic environment, they react directly with HCl, neutralizing it.

- **RICE STARCH 50 mg**

Contributes to protective activity against hyperacidity.

GLUTEN FREE

LACTOSE FREE

DOSAGE:

Take up to 3 tablets per day. Chew one tablet as needed, without water.

STIPACTIVE soft

60 capsules of 620 mg

DUAL ACTION FOR INTESTINAL WELL-BEING:

Relieves constipation and improves gut flora thanks to paraprobiotics, ensuring effective and continuous support.

■ PSYLLIUM SEEDS E.S 250 mg

When in contact with water, they swell, promoting stool softening and stimulating peristalsis, facilitating evacuation.

■ GUAR GUM 100 mg

Regulates intestinal fluid balance.

■ FENNEL SEEDS 30 mg

Improves digestion and reduces bloating.

■ PARAPROBIOTICS 7,5 billion (L. Casei, L. Acidophilus, L. Plantarum)

Blend of 3 inactivated strains that regulate the immune system and strengthen the intestinal barrier.

GLUTEN FREE

LACTOSE FREE

DOSAGE:

Take 1 to 4 capsules per day, preferably in the evening before going to bed, with plenty of water.

STIPACTIVE PLUS

30 capsules of 690 mg

RESTORED TRANSIT AND IMMEDIATE RELIEF:

The solution for occasional constipation.

- **CASCARA E.S. 100 mg**

Increases peristalsis thanks to its compounds and exerts a laxative effect.

- **SENNA E.S. 150 mg**

Stimulates intestinal motility through sennosides, inducing a laxative effect.

- **RHUBARB E.S. 100 mg**

Stimulates intestinal movements, increasing volume and enhancing peristalsis.

SENZA LATTOSIO SENZA GLUTINE

30 CAPSULE da 690 mg
Contenuto 20,7 g e

GLUTEN FREE

LACTOSE FREE

POSOLOGIA:

Take 1 to 2 capsules per day, preferably in the evening before going to bed, with plenty of water.

LANZOLACT

30 chewable tablets of 500 mg

DUAL ACTION FOR OPTIMAL DIGESTION:

Thanks to lactase, which facilitates the digestion of lactose, and paraprobiotics that improve gut flora

■ LACTASE 15000 ALU/tab 150 mg

Facilitates the digestion of lactose present in dairy products by breaking it down into glucose and galactose.

■ PARAPROBIOTICS 15 billion

Blend of *L. casei*, *L. acidophilus*, *L. plantarum* (inactivated) that strengthen the intestinal barrier and support the immune system.

GLUTEN FREE

LACTOSE FREE

DOSAGE:

Take 1 to 4 tablets per day.

Take 1–2 chewable tablets without water just before the main meal containing lactose. Do not take on an empty stomach.

SINERZYM

30 chewable tablets of 500 mg

ENZYMATIC SUPPORT THAT OPTIMIZES
DIGESTION AND ABSORPTION

■ ENZI-MIX 100 mg

Enzymatic complex that supports complete digestion by breaking down carbohydrates, proteins, fats, fiber, and lactose.

■ FIBRAZYME 15 mg

Blend specifically formulated to hydrolyze plant cell wall components, reducing anti-nutritional factors and improving nutrient absorption.

GLUTEN FREE

LACTOSE FREE

POSOLOGIA:

Take 1 to 4 tablets per day.

Preferably take 1–2 tablets shortly before, during, or immediately after each main meal, chewing them without water.

Do not take on an empty stomach.

NOCTALIN

30 tablets of 1000 mg

PEACEFUL NIGHTS, COMPLETE REST THANKS TO TABLETS DESIGNED TO PROMOTE SLEEP WHILE MINIMIZING AWAKENINGS.

RELAXPLX® 400 mg
(Lemon Verbana) 400 mg

Promotes sleep. By improving sleep quality, it stimulates the natural production of melatonin.

■ **VALERIAN E.S. 50 mg**
MELISSA E.S. 50 mg

Promote relaxation and contribute to improving sleep quality.

■ **ASHWAGANDHA E.S. 30 mg**

Enhances mental and physical well-being against stress thanks to its adaptogenic properties.

■ **MELATONIN 1 mg**

Regulates the sleep-wake cycle, reducing the time needed to fall asleep and ensuring continuous sleep.

GLUTEN FREE

LACTOSE FREE

DOSAGE:

It is recommended to take 1 tablet per day, preferably in the evening, before going to bed, without water.

ANXIVIN

30 tablets of 1000 mg

NATURAL WELL-BEING THANKS TO OUR 100% PLANT-BASED FORMULA,
SPECIFICALLY DESIGNED TO MANAGE ANXIETY AND DEPRESSIVE STATES.

- **ASWHAGANDHA E.S. 300 mg**

Modulates the HPA axis by reducing cortisol levels and improving the response to stress.

- **HAWTHORN E.S 80 mg**

Supports cardiovascular function, helps reduce anxiety, and improves sleep quality.

- **SKULLCAP E.S. 80 mg**

Has neuroprotective, sedative, and relaxing properties.

- **MAGNESIUM BISGLYCINATE ONOCOLIO 80 mg**

Promotes relaxation and counteracts stress, anxiety, and depression.

GLUTEN FREE

LACTOSE FREE

DOSAGE:

Take 1 tablet per day, preferably in the evening, with water.

Redol-ART

10 sachets of 5 g

REDUCES PAIN AND OPTIMIZES JOINT FUNCTION THANKS
TO OUR ADVANCED FORMULA.

PLANT-BASED GLUCOSAMINE 500 mg
MYTHO CHONDRO® 600 mg
HYALURONIC ACID 100 mg

Support the rebuilding of cartilage structure.

**METHYLSULFONYLMETHANE
(MSM) 1500 mg**

A source of sulfur that promotes the formation of sulfur bonds, helping repair cartilage and membranes to relieve joint pain.

■ **RODEMYR® 200 mg**
Provides analgesic and anti-inflammatory action, reducing pain and inflammation.

■ **VITAMIN D3 10µg**
Contributes to normal muscle function, supports the immune system, and helps maintain healthy bones.

GLUTEN FREE

LACTOSE FREE

DOSAGE:

Take 1 sachet per day, preferably away from meals. Dissolve the contents of one sachet in half a glass of water, helping the small spheres dissolve by stirring with the back of a spoon.

Redol- NEP

30 tablets of 1000 mg

THE NEW NATURAL SUPPORT FOR THE WELL-BEING OF THE NERVOUS SYSTEM AND TO PROVIDE RELIEF FROM NEUROPATHIC PAIN.

■ **PALMITOYLETHANOLAMIDE (PEA) 1200 mg**

Modulates inflammatory processes, inhibiting the activation of mast cells and microglia to relieve pain.

■ **SODIUM CITICOLINE 250 mg**

Repairs neuronal membranes, enhances neurotransmitter synthesis, and protects against oxidative stress.

■ **VITAMIN B1 10 mg
VITAMIN B6 4 mg
VITAMIN B12 100 µg**

Reduce inflammation and enhance the action of NSAIDs and corticosteroids, accelerating pain relief.

GLUTEN FREE

LACTOSE FREE

DOSAGE:

Take 2 tablets per day, in 2 divided doses: 1 in the morning and 1 in the evening, with half a glass of water.
